

WE ARE RECRUITING

ABOUT THE COMPANY

THE COMPANY:

ALE is a leading provider of heavy lifting and transportation solutions to a wide variety of industry sectors worldwide, ranging from power generation to ports, from renewables to oil and gas, and from civil engineering to mining. We work with clients both onshore and offshore, and in many other challenging environments from high altitude, to desert and even arctic conditions. Our expertise lies in all aspects of heavy lifting and transportation, including specialised cranes, transporters, hydraulic equipment, and barges. The unique nature of our work means that we rely on highly skilled operators and engineers to work on our projects in a safety critical environment.

We Are Recruiting the following Graduates:

- B-Eng Mechanical Engineering
