

Bester Graduate Development Programme

At Bester we believe in the importance of attracting quality people. People are, after all, the heart and soul of our business.

We are continuously searching for energetic go-getters to be part of our team. A wide range of opportunities are available for dynamic, well-balanced individuals. One of these opportunities is our Graduate Development Programme. We are serious about people who want to build a career with us and therefore we invest in the development of graduates in order to establish a talent pipeline of qualified young people who are well equipped to take on future challenges in our Company.

The plan targets students from second year and up studying toward degrees in business, finance, marketing, logistics/supply chain, and agriculture.
