

The Karsten Group is a prominent and progressive export fruit producer in the Lower Orange River and the Western Cape. The following position is available at Karsten Boerdery (Pty) Ltd and can be in the Northern or Western Cape.

DATA ANALYST

The successful candidates' responsibility will be collecting, analysing, and interpreting datasets from various platforms within the Karsten Group to provide insights and recommendations to improve business performance.

Qualification and experience:

Bachelor's degree in mathematics, Statistics, Data Science, or a related field.

Two years in the relevant field, especially in processing available data and reporting on that data.

Functional and behavioural skills:

- Strong knowledge of SQL and data visualization tools, such as Power BI.
- Experience with statistical analysis and data modelling techniques.
- Experience with cloud-based data platforms, such as AWS or Azure.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Ability to work independently and collaboratively in a team environment.
- Ability to work under tight deadlines and manage multiple priorities.

Duties and responsibilities include but are not limited to:

- Analyse data accuracy, completeness, and consistency to ensure it is fit for its intended use.
- Process large amounts of data and identify ways to improve efficiency in data processing speed.
- Collect and analyse large datasets from various platforms: FarmTrace, VIP, etc., and identify trends, patterns, and insights.
- Collaborate with cross-functional teams to identify data requirements and develop data models.
- Interpret data and provide recommendations to improve business performance.
- Develop and maintain reports and dashboards to visualize data and facilitate data-driven decision-making.
- Develop and maintain data pipelines to ensure data quality and accuracy.
- Communicate data insights and recommendations to stakeholders, including non-technical audiences.

A competitive remuneration package commensurate with relevant qualifications and experience is offered. Benefits include membership in a provident fund and medical scheme.

Contact the Head of Technology, Elizca Kies, for further inquiries about the position, on mobile 0825797514. Address your application and CV to the Senior Human Resources Officer at belindap@karsten.co.za

CLOSING DATES FOR APPLICATIONS: 31 JULY 2023

Candidates who do not receive any feedback within three weeks of the above closing date may consider their application unsuccessful.
