Responsible I	Responsible Departments:									
Department of	Department of Mechanical & Mechatronic Engineering									
Department of	fIndustrial Eng	gineering								
Department of Electrical & Electronic Engineering										
Department of Process Engineering										
Department of Civil Engineering										
School for Pub	lic Leadership									
Department of	Applied Math	nematics								

## Special notes:

- Linear Algebra will be offered on a Friday afternoon from 15:00 17:00 during the first semester.
- The date/s for Industrial Heat Exchangers will be arranged with the specific students.
- Offering of modules are subject to availability.
- The Schedule is subject to changes and will only be finalised in January 2020.
- Modules offered by other Departments please consult the responsible Department's website.
- Students should choose modules carefully and take assignment deadlines between modules into consideration.
